Prep Team Information Guide 2026-27

Dynamic believes in providing a competitive dance experience that fits all family and athlete needs. Our prep program provides the opportunity for dancers to prepare for our All Star Program OR the flexibility to continue additional activities, while still receiving quality instruction within a competitive program. Our prep teams practice once weekly, attend only local (within an hour) events and do not require additional weekly classes.

Dynamic Dance uses the USASF as a guideline for all age placements when forming teams. The age division placement is the dancer's birth year. We do provide suggested ages for each team as well as listed below.
